Established in 1998, Start Fitness has run up years of experience selling specialist fitness products at affordable prices. From running shoes to GPS watches we're constantly striving to offer you the best value possible. While we promise never to be undersold, our overriding goal is to deliver the best service we can, both in-store and online.

Founded by runners, and staffed almost entirely by fitness enthusiasts, Start Fitness prides itself on being different from your average sports retailer. Not only do we offer peerless customer service and expert knowledge, we also boast long-standing ties with amateur and professional athletic associations up and down the country, including the Northern Athletics League, the North Eastern Harrier League and the Metropolitan Cross Country League. We take pride in supporting grassroots sport whenever we can and are proud to support a number of up and coming athletes.
