### League Sponsors

Established in 1998, Start Fitness has run up years of experience selling specialist fitness products at affordable prices. From running shoes to GPS watches we're constantly striving to offer you the best value possible. While we promise never to be undersold, our overriding goal is to deliver the best service we can, both in-store and online.

Founded by runners, and staffed almost entirely by fitness enthusiasts, Start Fitness prides itself on being different from your average sports retailer. Not only do we offer peerless customer service and expert knowledge, we also boast long-standing ties with amateur and professional athletic associations up and down the country, including the Northern Athletics League, the North Eastern Harrier League and the Metropolitan Cross Country League. We take pride in supporting grassroots sport whenever we can and are proud to support a number of up and coming athletes.

ReportLab is a small technology firm in Wimbledon (just around the corner from Belgrave Hall) creating software solutions. The founder and managing director, Andy Robinson, is a member of Thames Hare & Hounds and Kingston & Poly.

We have developed this site in our spare time, using the same building blocks which go into our corporate solutions. We're doing this to support the sport and also to showcase what we can build. If it looks like our capabilities would be useful in your day-job, please get in touch! Email [enquiries@reportlab.com](mailto:enquiries@reportlab.com) or phone **020 8405 6420**.

ReportLab's systems are used by the likes of Fidelity Investments, Wikipedia, Cisco System and HM Government to manage data and automate the generation of millions of documents every month. To read more about the businesses we are already helping, see our case studies page.
